

I CAN'T FIX THIS

AND I CAN'T CHANGE THAT

BUT I CAN DO THIS . . . WITH YOUR HELP

Not actual computers

The library at Thomas Jefferson High School is in desperate need of new computers and as I'm sure you are aware; the funds are just not there. The Tee Jay Vikings Fund – of which I've been a board member for about five years - is spearheading an effort to raise \$15,000 and we are asking for help from people who sincerely care about the education, opportunity and future of our inner-city youth.

I appreciate any refrain from any political or snarky comments about our youth, public schools, or "the system". It's quite simple, if you don't feel so moved - just ignore. If you want to do something, **HERE'S HOW YOU CAN HELP!**

- **You can donate! No amount is too small.**
- **You can ask your company or church if they will consider donating**
- **AND YOU CAN JUST HELP SPREAD THE WORD.**

IT'S EASY! Go to www.TeeJayVikingsFund.org and click on the DONATE button and in the "write a note" field please type Library Computers.

Thank you for your consideration and support!
